

Measuring and Hanging

Amanda Baker Soft Furnishings offers a measuring and hanging service on request; customers may arrange an appointment at a convenient time to make a home visit. Amanda Baker Soft Furnishings will measure window and give advice and suggestions on styles, fabrics, colours and prices. An estimate will then be provided to enable the customer provide fabrics for work to be produced within an agreed timescale.

Selected tracks and poles can be supplied and fitted by Amanda Baker Soft Furnishings and on completion of curtains where required a hanging service is available.

Guide to Measuring a Window

Using the following guide to record and provide information that is required for an estimate.

a) drop to sill

b) eye drop approx 6" under sill

c) drop to floor

all measurements from top of track or pole.
